

Rimu Stationery List 2019

Welcome to Rimu 2019. This is your child's stationery list and it includes all the tools needed for the Rimu classroom programme. I encourage you to reuse exercise books where practical. If your child is halfway through an exercise book then please feel free to continue to use this book, saving costs and paper. You can purchase books over the holidays or from the school office when we return to school.

Your child will need their stationery at the start of Week 1. This will allow us to begin our learning straight away. Please ensure that all books are clearly labelled with your child's name. Some children may like to cover their books, or colour code them to make them easy to find in the pile. Please don't name the glue sticks, pencils/pens or twistables/coloured pencils, as we use these as a shared class set.

Thank you for your support. We are looking forward to an exciting year ahead of learning and fun together. Enjoy your summer holidays and see you in the new year.

Many thanks
Kim Birchler
