

## Stationery List – Kauri and Kahikatea 2019

Kia Ora Koutou,

Please find enclosed a stationery list for your child for 2019.

It would be fantastic to have all stationery at school by **day one (Tuesday 29th January)**, all ready to start. We would appreciate **ALL items clearly labelled with your child's name and the subject title**. Covering books is entirely optional, but it makes them easily identifiable to your child as we do not have individual desks in our classrooms. If your child does not arrive equipped on day one we will provide the necessary tools from the school office. Please be aware this is a far more expensive option. Please recycle if it is a good option.

If you have any queries with regard to this stationery order please feel free to contact me.

Regards.

Anne Hughes ([anne.hughes@northloburn.school.nz](mailto:anne.hughes@northloburn.school.nz)) and Kate Hassall ([kate.hassall@northloburn.school.nz](mailto:kate.hassall@northloburn.school.nz))
