Check out our newest stars - John and Emma. Well done!

Congratulations to John Lundy and Emma Walsh

What an amazing week John and Emma have just had. They have had numerous meetings with different media people as a result of winning the T&G Garden to Table Young Gardener of the Year. John and Emma were 2 of 5 children from across New Zealand who won this prize. The fact that North Loburn have been able to secure 2 of the awards is simply brilliant.

Both John and Emma talked about how much they like getting their hands dirty when gardening and how it is a great way to have fun in the garden. This is the first year this competition has been in place so we have certainly now set the bar very high for ourselves. Well done John and Emma for your awards. We are very proud of you both.

Our Garden to Table programme continues to be a real highlight for our children (and for many parents who help out as well). Thanks to the many hours of work by Cherry Burgess and Rachel Fahey, we are able to offer this programme in Term 1,2 and 4. The preparation that goes into having things ready to plant, ensuring we can harvest things when needed, having the kitchen ready on the day, sorting the rosters for our parents, and many other jobs that these two wonderful experts do, ensures that the programme is a real highlight of the week.

Just last week we had Rimu working hard in the garden getting it ready for the planting of the new veggies. I am sure this is going to be another great term for Garden to Table.

Ngā mihi nui,
Darryn Ward

Year 4-8 North Loburn School Talent Contest - Term 4 2017

This is an optional competition for Year 4-8 children who like to perform on stage. Children can sing, dance, play a musical instrument or perform a skit/drama act.

Please read the rules below if your child is interested in participating. If you have any further queries please don't hesitate to contact Anne Hughes anne.hughes@northloburn.school.nz.

Who: Year 4-8 pupils

Where: School hall

When: Year 4-8:

Entries close: Thurs 23 Nov at 1 pm.

Semifinals during one of the following lunch hours - Mon 27 Nov, Tues 28 Nov, Wed 29 Nov, Thurs 30 Nov. Finals Monday 4 Dec 1.30-3.00 pm.

Rules

1. Competition will be open to all Year 4-8 pupils
2. There will be four categories: dance, singing, instruments, other (e.g. small skits, drama, puppet show, magic show etc). If you are singing in the same item please choose which category you want to be judged in.
3. Each item must be no longer than 5 minutes, preferably shorter.
4. There is no limit to the number of performers in each group. It could be one or more.
5. Pupils may enter in more than one item but no more than two per category.
6. Year 4-8 entries will close on Thurs 23 Nov at 1 pm.
7. Semifinals for Year 4-8 will be judged during nominated lunch hours on Mon 27 Nov, Tues 28 Nov, Wed 29 Nov, Thurs 30 Nov (Week 7). Each section will have up to four finalists.
8. Finals for Year 4-8 will be held during school time on Monday 4 December. During the finals, the whole school will be invited to watch, along with any parents, etc., who want to attend. This will be held in the school hall starting at 1.30 pm.
9. Certificates will be given to all finalists. No vouchers will be given to first place-getters this year.
10. Pupils may organise practices during break and lunchtimes. If there is a premium on rooms Mrs Hughes will organise a booking sheet. Please see Mrs Hughes. Only certain rooms will be available. During these times only those pupils may be in that room. Pupils are also encouraged to practise outside school hours.
11. Costumes and props for the item may be used.
12. Parents may assist with costumes and props but cannot be on stage with the child.
13. Please enter via the sheet displayed in your classroom.

Year 3 and 4 Hockey - Notification of start date

It is great to see that we have a team in this competition. I would like to wish them all the very best for the season. This is a reminder that the Year 3/4 summer hockey starts on Friday 3rd November.

The North Loburn Mustangs (Touch team)

Last week saw the start of the school touch competition being held down at Southbrook Park on a Wednesday night. Thanks to the organisation of Alex Orchard, we have been able to put a mixed team together for this competition. Their first game was last week. It was great seeing them step out onto the field in their Mustangs shirt (thanks to Mark Stephens and Screen Concepts for sponsoring these).

For a number of these children this was their first experience at touch rugby. It is certainly a fast paced game. Our children performed extremely well and certainly got stronger as the game progressed. On behalf of all of the school, staff and community I would like to wish them all the very best for the season.

Jump Jam Finals - here we come!

The countdown is certainly on for our senior Jump Jam team as they complete their final preparations before heading away to Auckland on Saturday morning to compete in the National finals.

This team is a fine example of dedication as the children have spent many hours in the holidays, lunchtimes, after school and in class time perfecting their routine. I was lucky enough to catch a look at a performance last week and I certainly believe they are in with a good shot.

Once again it is important to acknowledge the part of the many parents who have been involved in getting them to this point. Whether it is organising costumes, sorting accommodation, arranging flights, transporting the children to rehearsals, or creating and perfecting the routines with the children, this has certainly been a mammoth effort. Thank you from all of us at North Loburn for giving your time to offer the opportunity to our students.

Finally - I would like to wish all of the dancers (Lucy G, Katie G, Campbell, Georgia S, Hayley HT, Ella S, Emily B, Amelia G and Isobella C) all the very best for Saturday. I have no doubt that you will be wonderful ambassadors for our school and will give everything you have in your routine. We will be supporting you all the way.

A message from Mrs Webb - can you help?

This term the Junior School will be exploring 'How to be an Eco-Warrior' and looking into the sustainability practices of the school and how we have the power to make a change. One aspect of this will be making worm farms. **Please may we have as many ice cream containers as possible for this. Ask your friends and family!** Please drop them into Manuka. Thank you for your support.

Kids Fun Golf Event - Sunday 29 October

Especially designed for kids that are newer to golf and are keen to play a fun event on the golf course. The event is being held at Templeton Golf Club starting at 1pm the kids will play 9 holes which will be shortened with larger holes, so will be heaps of fun for the kids.

Contact Rachel for further information.

Enviro Leaders Camp - Port Levy

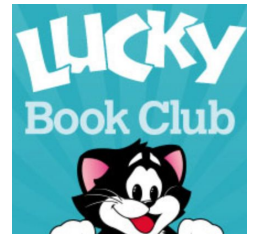

This week four of our Enviro Leaders are heading away to Port Levy for two days. Jayden, Jolie, Alex and Kerryyn will be accompanying me on Thursday morning. This is a great opportunity for our students as they get to mix with a wide range of students from other schools who are all supporting the Enviro schools' message.

The students will be staying at Koukourārata Marae in Port Levy. The programme for the 2 days is jam packed with opportunities to learn about and get amongst, the environment where we are staying. Our students are also extremely fortunate to be offered the chance to go out on Waka Ama (Outrigger canoes). For many of us this will be a first time. This opportunity was made possible through the support of Environment Canterbury and the Toimata Foundation.

Once we return from the 2-day camp I am sure that the students will have much to share so you can look forward to something from them in future newsletters.

Scholastic Lucky Book Club

It is a scary thought, but Christmas is now only 63 days away (at the time of writing this newsletter)! The Scholastic Book Club is always a great source of material for children. Brochures have now been sent home and will be our last issue for 2017. This is a good chance to purchase books for Christmas presents and overseas gifts. If you need the order kept as a surprise please let Jenny know.

Orders are due back to school by **Wednesday 1st November**, or they can be ordered online through the Book Club Loop (see the Student Order Form for steps to do this). Proceeds we receive from Lucky Book Club comes back to our school library.

Prize Giving (Evening Event and Mini) - some early details for you

Please make sure the following dates are in your diary:

- On Thursday 14th December we have our prize giving and Year 8 final assembly at the Karetu Hall. This starts at 6pm sharp. We aim to have it finished by 7.30pm.
- On Tuesday 12th December at 1.30pm we have our final school time assembly. You are also welcome to attend this; it will be a low-key affair again this year. The following awards will be given out:
 - Summit Challenge badges
 - Kapa Haka badges (this was when we only had about 10 kids, so now not done obviously).
 - REACH Certificates
 - Bus Monitor certificates
 - Agricultural badges and certificates

These are presented in this school assembly, rather than on Thursday night, to reduce the length of the evening assembly (otherwise it could be a long night for our little ones!)

- A reminder that school finishes on Friday at 12.30pm, with bell ringing at 12pm. The bus will be running at this earlier time.

In next weeks newsletter I will send out a more detailed description of what to expect at these prize givings.

Working Bee

Sunday 29th October

Dear Parents,

It is that time of the year again when we need your help to provide a little TLC for our school grounds. With PET Day just around the corner and with the huge amount of rain, things have started to get away on us. We would love your help to give our grounds a good going over.

We appreciate that this date may not suit everyone and that our Jump Jam team will be away that weekend however we are very keen to have this working bee before our PET Day so that our grounds are looking awesome for any visitors.

We are planning the working bee for the 29th October starting from 8:30am. There will be a sausage sizzle at lunchtime to feed the hungry workers.

The focus for this working bee will be largely on the grounds and gardens. Jobs will include:

- Weeding
- Leaf clearing
- Pruning
- Clearing of branches
- Weeding in our vege gardens
- Doing the edges
- Turning the bark over in the back playground area (tyre swing)
- Other

I would like to remind parents that with the new Health & Safety regulations we need to ensure the safety of all of the people working on the site during such an event. There are very clear guidelines on what is expected of us as a school. Due to these new guidelines we will not allow any children to be working on any roof areas. Those using powered machinery for any jobs must ensure they are doing so in a safe manner, that the area they are working in is kept clear of other workers and that correct safety gear is worn. If you have any questions in relation to our guidelines please do not hesitate to contact Darryn.

ENVIRO-SPOT By Ranger Leary Stop the Waste

Did you know that Kiwis throw away \$900 million of food a year? Households send about 80 kilograms of edible food to the landfill every year, collectively that's 120,000 tons of food a year, which is enough to feed 260,000 people. As our planet has got limited resources, this feels like a very big waste and not an equal sharing of our food.

To stop this we should put more thought into buying only what we need and try to compost our food scraps.

Does anyone else have any enviro news? If you would like it included, please contact Ranger Leary, a Year 8 Totara student and enviro-leader. ranger.leary@northloburn.school.nz

North Loburn School Pet Show Monday 6th November 2017

General Information: Please read carefully!

The animals can begin arriving from 12 noon on the day.

Please do not bring animals in the morning as they can become stressed over a long period at school, especially if it is a hot day.

Please make sure they are well caged if they need to be and have all the comforts needed e.g. a bird may need a cover to keep out the breeze.

Ponies: **must** be kept in their area behind the gate in the back field for safety, until the Grand Parade. Only owners may go into the field. If the back field is dry horse floats should be able to come in.

When you arrive please look for the designated area for your pet e.g small pets, poultry, fish and birds are usually in the hall, lambs along by the trees to the right in the back field and dogs tied up around the court. Notices will be put up to direct you.

Dogs: It is very important to tie your dog in the correct place if you want it to be judged. Check the lists tied on the netting to see where your dog should go. The judges have lists of dog owners on their sheet. If they can't find you in that area you will not be judged or get a certificate. See Mrs Hassall if there are any problems.

Pet Show Schedule - Monday 6th November

12:00-1:00 pm. Lunch. Pets to arrive at school. Come along, bring your lunch and share this great day with your children.

1:00-2:00pm - Judging

2:00pm onwards - Lamb drinking race, Look-a-like contest, Grand Parade.

2.45pm Certificates awarded in the hall.

Important:

- **Water containers** for each pet **must be provided at all times.**
- Children may enter one pet only in this year's show, unless they have the same type of pet, e.g. this could be 3 chickens, etc. Families can share a pet but be judged separately.

...continued on next page

A Google Pet Show entry form will be sent out to families to complete by Friday 20th October. Please make sure you complete one Google form per child. The events are the same as previous years as outlined below:

Events:

1. LAMBS
2. CALVES
3. PIGS
4. POULTRY – chickens/roosters/ducks, etc.
5. GOATS
6. DOGS – (Please keep dogs tied up and away from the other pets)
7. BIRDS – Other than class 4 (e.g. budgies, etc.)
8. HORSES & ponies (must be the child's own)
9. OTHER PETS – cats, kittens, guinea pigs, goldfish, etc. (cats only if comfortable in a cage please).
10. Pre-Schooler's pet (will be entered in relevant class).
11. Owner/Pet Look- A-like Contest – dress up, face paint or create a mask that looks like your pet. Children dress up not the animals.
12. Lamb Drinking Race – (please provide a 200ml bottle of milk for this event).

Programme details:

1pm.....Judging begins

Your child will be asked questions about the pet, similar to the requirements for the projects. Please look at these and discuss them with your child. It is a good way for the children to think about the care of animals. Please stay away when the judge is with your child and let them answer the questions themselves. Pets are not compared. There is no "best" dog or pony, etc.

When judging is finished the "**Lamb Drinking**" race will take place. Please bring a bottle with 200mls of milk. After the signal is given the lamb hears its name being called and runs to drink the milk.

[Maybe and maybe not!]

"**The look-a-like contest**" is fun . The children put on their masks, etc. and the judges make their decisions.

Grand ParadeThe animals and their owners will be called in groups to parade around the ring.

Please do not get the pets until they are called for, especially the dogs. They must remain tied up because we don't want any lambs becoming chops. We like to keep things happy.

Finally the certificates will be given out. These have points on them, which go towards badges for our agricultural club. These accumulate over a few years. Badges are given out at the final school assembly of the year.

Sometimes we have an activity for the dogs during the judging.

The projects are on display all afternoon in the hall.

This day is usually a wonderful social time for all. See you there!

...continued on next page

Pet Projects: Please hand in to the class teachers by the 30th of October.

This could be used as a Summit Challenge.

WHAT TO DO NOW!

- Decide on the pet that you will enter in the show. Begin your project.
- If you have no pet your project could be on a pet you would like to have or one you have had in the past.

PLAN YOUR WORK (some ideas):

- Introduction and information – breed, name, colour, age, habits, why is it special to you.
- Progress – particularly if your pet is a baby – lamb, chicken, calf. (photos are great for this)
- Home and shelter – photos, drawings, maps are helpful.
- Food.
- Uses – companions or pets, wool for carpets, milk, etc.
- Other care – grooming, prevention of diseases and pests.
- The relationship you have with your pet and what they mean to you.
- Your project may be on paper or a multi-media presentation.
- Neat setting out, drawings or photos all add to the appearance of your project and this will be taken into account by your teacher
- Creativity – try to present your information in a different way than you have previously.
- Pets are special. Make sure that you let us know how special they are by telling stories about the antics they get up to.

Wool Sacks needed

Can you help?

I am looking for 3 or 4 wool sacks for use at school. If you have any that you no longer require and would be willing to donate them to school please let Darryn know.
