### Effort plus - our school athletics

Our assembly on Friday included the handing out of certificates to our students who were placed in the athletics held last week at Loburn Domain. Mrs Hughes commented on the incredibly high number of students who were receiving a certificate. To be honest - it was amazing. The fact that we had so many of our children gaining a result was credit to the effort of all of our students.

I spent most of the day on the distance races. There is no better place to get a gauge of the effort our students are putting in than watching them race around a 500 metre track several times on a hot day. Every child who stepped up to the start line gave their very best. For many the placing was irrelevant. It was simply about the challenge of starting and finishing the race. I could not fault the effort that the children were putting in.

I know from talking to the other teachers that they too were extremely impressed with what they were seeing at these events. The children were encouraging each other and really striving for personal best. To every one of you who attended the athletics - Thank you for giving it your best!

It would be remiss of me not to mention the effort of the staff and the parent helpers. An event such as this does not run without many helping hands. I know the teachers really appreciated having an extra helper or two.

Finally - to Anne Hughes. Once again she organised a superb event that ran smoothly. There are many hours of work that goes in before and after the athletics to ensure this happens. Thank you Anne for your commitment to our students and school. We really do appreciate the effort you put in.

Ngā mihi nui,

## North Loburn Jammers - Jump Jam Finals

Our North Loburn Jammers took on a number of schools across the country on Saturday afternoon in Auckland. This was a huge event for these children and parents. Finally, after many hours of work and practice they were able to perform their routine.

Reports from the parents who accompanied the team said that they danced incredibly giving it their all.

Our Jammers came away with an impressive 4th place. What a wonderful result. As well as that they received certificates with excellence and distinction. Another awesome effort.

I would like to take this opportunity to acknowledge the work that these students have put in. There have been many hours of work. Thanks again to all the parents for accompanying the children, supporting them and being there to cheer them on. Also - a very special thanks to Miriam and Steph!

We look forward to having you back at school and hearing the stories from your trip.

Some very HAPPY Jammers!

## An article from Calvin Rose - Totara

Motor Neurone Disease (MND) is the name of a group of diseases that cause the death of the nerve cells (neurones) that control the muscles that let us move, speak, swallow and breathe. With no nerves to make them work, these muscles gradually weaken and waste away. This causes loss of mobility in the limbs and difficulties with speech, swallowing and breathing. This varies a lot from person to person. At the moment there is no cure.

**Walk 2 D'Feet MND** events will be held nationwide on Sunday 12th November. Half the funds raised will go towards supporting Motor Neurone Disease research in New Zealand, the other half towards MND New Zealand providing support to people with MND and their families and careers. I am participating in this walk and if you want to sponsor me go to:

Any donations will be appreciated.

# North Loburn School Pet Show Monday 6th November 2017

## General Information: Please read carefully!

The animals can begin arriving from 12 noon on the day.

Please do not bring animals in the morning as they can become stressed over a long period at school, especially if it is a hot day.

Please make sure they are well caged if they need to be and have all the comforts needed e.g. a bird may need a cover to keep out the breeze.

**Ponies:** **must** be kept in their area behind the gate in the back field for safety, until the Grand Parade. Only owners may go into the field. If the back field is dry horse floats should be able to come in.

When you arrive please look for the designated area for your pet e.g small pets, poultry, fish and birds are usually in the hall, lambs along by the trees to the right in the back field and dogs tied up around the court. Notices will be put up to direct you.

**Dogs:** It is very important to tie your dog in the correct place if you want it to be judged. Check the lists tied on the netting to see where your dog should go. The judges have lists of dog owners on their sheet. If they can't find you in that area you will not be judged or get a certificate. See Mrs Hassall if there are any problems.

## Pet Show Schedule - Monday 6th November

12:00-1:00 pm. Lunch. Pets to arrive at school. Come along, bring your lunch and share this great day with your children.

1:00-2:00pm - Judging

2:00pm onwards - Lamb drinking race, Look-a-like contest, Grand Parade.

2.45pm Certificates awarded in the hall.

### Important:

- **Water containers** for each pet **must be provided at all times.**
- Children may enter one pet only in this year's show, unless they have the same type of pet, e.g. this could be 3 chickens, etc. Families can share a pet but be judged separately.

...continued on next page

**A Google Pet Show entry form will be sent out to families to complete by Friday 20th October. Please make sure you complete one Google form per child. The events are the same as previous years as outlined below:**

### **Events:**

1. LAMBS
2. CALVES
3. PIGS
4. POULTRY – chickens/roosters/ducks, etc.
5. GOATS
6. DOGS – (Please keep dogs tied up and away from the other pets)
7. BIRDS – Other than class 4 (e.g. budgies, etc.)
8. HORSES & ponies (must be the child's own)
9. OTHER PETS – cats, kittens, guinea pigs, goldfish, etc. (cats only if comfortable in a cage please).
10. Pre-Schooler's pet (will be entered in relevant class).
11. Owner/Pet Look- A-like Contest – dress up, face paint or create a mask that looks like your pet. Children dress up not the animals.
12. Lamb Drinking Race – (please provide a 200ml bottle of milk for this event).

### **Programme details:**

#### **1pm.....Judging begins**

Your child will be asked questions about the pet, similar to the requirements for the projects. Please look at these and discuss them with your child. It is a good way for the children to think about the care of animals. Please stay away when the judge is with your child and let them answer the questions themselves. Pets are not compared. There is no "best" dog or pony, etc.

When judging is finished the "**Lamb Drinking**" race will take place. Please bring a bottle with 200mls of milk. After the signal is given the lamb hears its name being called and runs to drink the milk.

[Maybe and maybe not!]

"**The look-a-like contes**" is fun . The children put on their masks, etc. and the judges make their decisions.

**Grand Parade** ....The animals and their owners will be called in groups to parade around the ring.

**Please do not get the pets until they are called for, especially the dogs.** They must remain tied up because we don't want any lambs becoming chops. We like to keep things happy.

Finally the certificates will be given out. These have points on them, which go towards badges for our agricultural club. These accumulate over a few years. Badges are given out at the final school assembly of the year.

Sometimes we have an activity for the dogs during the judging.

The projects are on display all afternoon in the hall.

This day is usually a wonderful social time for all. See you there!

## Junior Discovery Session

The Junior School had lots of fun with an Environmental Discovery session last week. The children enjoyed doing leaf rubbings, weaving with recycled paper and investigating natural items with magnifying glasses. Here a group of girls are investigating bugs they found while completing a nature treasure hunt.

## Working bee thanks

I would like to thank all of those mums, dads and children who popped down on Sunday to assist with our working bee. We are always extremely grateful for the support we get at these events. Once again the school is looking beautiful. It is always a pleasure walking around the grounds after these events and being able to admire the way our school looks.
