The Success Cycle

Kia Ora whānau,

For this week's newsletter I thought I would write a piece about 'attitude'. With the focus this year being on 'Growth Mindset' then it seems only logical that our attitude will play an important part of this.

Karen Boyes, a well known educational presenter, wrote about how she found it fascinating that when asking someone how their day was they reply with phrases such as 'not bad' or 'fine considering'. She asks the question - is 'bad' the new benchmark? What about replying 'outstanding', and 'I'm improving' or 'super good' and 'I'm getting better' as Zig Ziglar does. (Zig Ziglar was an American author and motivational speaker who talks about attitude making the difference.

Maintaining a positive attitude sounds easy and for some it is. One way of achieving this is by always looking for the good in others and in all situations - focusing on the things that are making your smile or giving you that sense of achievement.

Karen Boyce continued her article by quoting her dad, who used to say, "Everyday's a great day! Just try missing one".

At the end of the day we all have the choice to choose how we feel. We can choose to focus on the 80% of our lives that are going fantastically well, or the 20% that we may be finding challenging. A growth mindset is all about having the attitude that helps us embrace the great things we are doing and looking for ways to build on these, to take the risks needed and to remain positive knowing the success will come.

School Closure Due to Strike Action - repeat from last week

Please read carefully the notice below from Sabrina Ilett, Board of Trustees Chairperson:

Kia Ora koutou,

I am sure you are all aware of the recent developments in regards to the possibility of strike action from teachers.

All of our teachers at North Loburn are members of NZEI and the decision for them to strike for a full day on Wednesday 15th has been agreed. Therefore on behalf of the BOT, I am writing to inform you that we will be closing the school for instruction ALL DAY on the 15th August.

As a Board, we fully support our teachers.

Whilst the union are still in mediation with the Government, we will of course keep you updated with any progress or change.

*Kia Ora rawa atu
Many thanks,*

*Sabrina Ilett
BOT Chair*

IT'S TIME YOUR CHILDREN HAD THE EDUCATION THEY DESERVE

You send your children to school to help set them up for life. Yet, schools are facing a teacher shortage crisis, with a 40% drop in people training to be teachers; and a growing number of school-aged children. Schools are struggling to find enough staff to teach our children.

There is also a desperate need for more support for children with additional learning needs. There just aren't enough teachers to give your kids the education they deserve.

WHAT WE ARE CAMPAIGNING FOR?

- * More teachers – so your kids can get more attention
- * More resources/staff to support children with additional learning needs
- * A pay jolt to salaries for teachers to address the teacher shortage – so that your children will have a teacher in the future

SHOW YOUR SUPPORT!

Let your teachers know you support them and join in campaign activities at your local school.

Thank you

On behalf of the teaching staff and myself, I would like to thank our parents for the support they have shown to date in regards to the upcoming teachers strike. I appreciate that a strike is not ideal however, as mentioned previously, it has been 25 years since teachers last went out on strike. Our children deserve the best education they can be given. We need to fight for them and for ourselves if we are going to achieve this goal. Thank you for your support.

No School Assembly 17th August

Please note there will be **NO school assembly on Friday 17th August** as our senior class will be making their Beeswax wraps on that afternoon.

I would like to acknowledge the great number of parents that attended the school assembly last week. It is lovely be able to celebrate our students each week at these assemblies and to see the support we get from our parents through their attendance.

Teacher Only Day

A reminder that **Friday 24th August is a Teacher Only Day**. The staff will be spending the day working on developing a new writing rubric for use with our students. This is an important tool for helping our students understand their next steps in writing.

Cup Cake Sale

On Thursday this week Erin Drummy and Larkin Underwood are going to be holding a Cup Cake sale as one of their summit challenges. The poster seen here provides the details that you will need to know and where the money will go to.

--{ CUPCAKE SALE }--

Kids for Kids Concert

This week I sent out a Google form to all of the families whose children are in the Kids for Kids choir. This form had some important information about the upcoming concert and also acted as a permission slip for the rehearsal coming up on the 11th September.

If you know that your child is in the choir please do check your emails as I would like these forms completed by Tuesday this week.

If you have any questions about the Kids for Kids choir then please do not hesitate to contact me.

2019 School Year Dates

At the Board meeting on Tuesday night the following dates were approved for 2019:

The start date for 2019 is **Tuesday 29 January**.

The finish date will be **Tuesday 17 December**.

There will be 2 Teacher Only Days (ToDs) in the year with the CoL leading one and the school deciding on one as well. The date for ToDs will be confirmed later in the year.

Toy Sale - Thank you from Tara Bassett

Tara Bassett would like to thank everyone for their patronage at the mini book and toy sale. Tara successfully raised \$45 dollars to donate to SPCA. A special thanks to Larkin, Aimee and Sophie for their kind help on the day. Thanks again.

Uniform Cupboard

The Home & School uniform committee are looking for more uniforms to put up for sale. They are particularly looking for summer uniforms - dresses and culottes.

If you have any of these items that you would like to donate for sale, please drop these into the school office.

Kapa Haka Festival - *repeat from last week*

This event will include a showcase of cultural performances, visual art exhibition and wearable art pageant. This is a wonderful opportunity for our tamariki to experience and perform at the Horncastle Arena.

For those of you who have Year 4 to 8 children attending this festival on 6th September below are a few reminders:

When: Thursday 6th September

Where: Horncastle Arena, Christchurch

Who : Year 4 to 8 pupils who have opted to take part in this festival

Time: We will expect our performers to be there by 5.40pm. They will need to be ready to go back stage by 5.50pm. Concert start time is 6.45pm. Others will need to be seated by 6.30pm.

Rehearsal: All the pupils who are involved will be attending a rehearsal on the 6th September. We will be using a bus to take them to the arena on Thursday morning. You will be charged \$8.50 for this. Please expect this on your account. Pupils will be given the option of going home at lunchtime so they are fresh for the evening performance.

If you have any further queries please contact Anne Hughes.

Kapa Haka tickets

For those of you who ordered tickets through the school, these will be issued to your eldest child on Tuesday 14th. They will be placed in an envelope. The parents' surname and how many tickets have been enclosed will be written on the outside of the envelope. Please make sure you check with your child on Tuesday.

If you did not order tickets through the school, and wish to do so, these will now need to be ordered direct through ticketek.

More information will be sent out closer to the time.

Friday Enviroleaders Activities

These are exciting times ahead for our school and the Enviro team as they work alongside our classes on a variety of different projects. It was a pleasure walking around the different rooms on Friday to see what was happening.

You will more than likely see some of the work that these groups are doing as you move around the school. Our front court is now sporting some new designs (although not quite finished). These are going to be great additions to our environment.

The projects that our children are involved in include: repainting the tyres around the tyre swing area, new designs on the Warburton Wall and court, wind chimes for the playground, painted stones for the gardens and new name tags for our vege garden.

I would like to acknowledge the assistance of Emily Carter Schofield who has been helping out with the front court artwork.

I would also like to thank Mrs Webb for her role as co-ordinator of our Enviroleaders and the Friday programme.

Pita Pit Lunches - Thursdays

Thank you to those families who continue to use Pita Pit on a Thursday for their lunch option.

We have been fortunate to receive a small amount of funds from Pita Pit as a result of the orders we have been making. The orders are still available each week and need to be in each Thursday by 9am. These can be purchased through the Lunch Online system. <https://www.lunchonline.co.nz/>

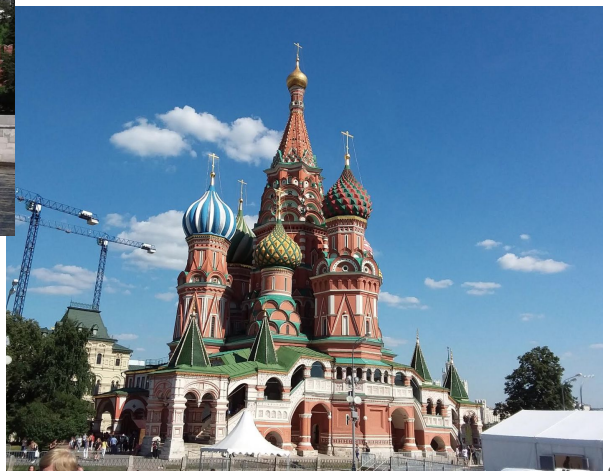

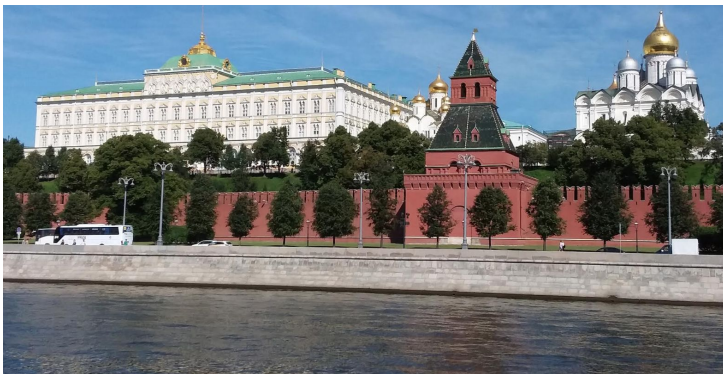

School Open Day - please note the change of date

We are planning an **Open Day on Thursday 30th August**. You will notice that this date will differ from the one advertised last week. I apologise for the change of date however we were mindful of having our very special Garden to Table programme happening on this day so that visitors could come and celebrate this with us as well.

The purpose for the Open Day will be to allow our community the opportunity to visit and see the classroom programmes in action. It will be business as usual for the classes. It is an opportunity for us to celebrate the many great things that are happening in and around our school each day. The proposed time frame for our Open Day will be between 9 and 12:30. More information will follow in next week's newsletter including how you will be able to register your interest.

Images from Mrs Barwell's Overseas Trip

A number of our students will have worked with Mrs Barwell while she was here over the last few terms. She is currently on a trip through Europe and has sent us some images from her travels. These images have been taken while she was in Moscow.

Day Old Chickens

Day old pullet (female brown shavers) chickens, from Southern Chicks, Ohoka, will be delivered on approx 18th September we will confirm date by phone, at a cost of \$4.60 per bird for Students families and \$5.75 per bird for non school families. If you require more information please call Marlene ph 3128 653.

Orders and payment must be in by Friday 17th August 2018. Please fill in the form below and return to Loburn School, 73 Hodgsons Road, Loburn R.D.2 Rangiora 7472.

Please make cheques payable to Loburn School.

Rearing your chicks

1. Before your chicks arrive make sure that you have somewhere to rear them. This must be clean, dry, warm, free from draughts and safe from animals (ferrets, cats and dogs).
2. The optimum temperature is 35°C reducing this by two to three degrees each week. At six weeks your chicks can do without artificial heat.
3. Heat can be provided by an infra-red light (lamb rearing light) or by an ordinary light bulb of 25 to 40 watts suspended 20 to 30 centimetres above the chickens.
4. The chickens let you know how they are feeling by their behaviour. If they huddle together or/and cheep loudly they are too cold.
5. Food- "Chick Pex" available from the Rangiora New World supermarket in 2 kg bags or from The Feed Shack, Newnham Street, Rangiora. They will eat approximately 1 kg per chicken before they go on to "Grower Pellets" at 6 to 8 weeks.
6. Water- the chicks need a fresh supply of water available to them at all times. It should not be too cold. Make sure they know how to get a drink by gently dipping their beaks in the water when they first arrive.
7. It is best to have food and water available at all times. Self-feeding hoppers can be made from an inverted tin or plastic bottle with a hole low on the side, in a dish or cut down ice-cream container.
8. In the past we have been advised by the hatchery to keep the chickens in the dark for the first 12-24 hours to allow their eyes to mature. Keeping them in a cardboard box in the hot-water cupboard is suitable, but it is very important that they are kept warm enough at this stage. If your cupboard is not warm enough (35°C) put them straight under the warming light.
9. The chicks need to be kept warm day and night for approximately four weeks. At this stage they can be put outside on warm days as long as they are safe from cats and dogs. They will need to be put back under their light/heater at night. At 6 weeks they can be left outside night and day with protection from cold, rain, and animals (ferrets, cats and dogs). Straw and hay can keep them warm for the first few nights, or at this stage you may need to teach them to perch by lifting them up on to perches at dusk.
