school
production is
upon us.

Welcome to Week 6 / Term 3 2017 - Monday 28th August

*Great example of collaboration -
I wonder how tall it ended up.*

Digging Deep

At the time of writing this week's newsletter I had just returned home from watching the Ranfurly Shield clash between long time rivals Otago and Canterbury. While it was not a game for the purest it was certainly a great example of the importance of being able to dig deep to get a result. The night before I had attempted to sit and watch the All Blacks game in a relaxed state only to spend most of the time on the edge of my seat. This game was an even greater example of digging deep, believing and getting a result.

On the next page there is a quote that says **tough times don't last, tough people do**. This quote was shared with me last week by another Principal. When I was thinking about the weekend of rugby I could not help but feel that this quote was a perfect fit for what the players must feel. However, the point of this piece is certainly not to focus on sport, but rather to start some dialogue around those times when we find ourselves having to dig deep in our own jobs and activities.

I have no doubt that we have all had times when it would have been far easier, and probably far less stressful to give up rather than to keep pushing on. However, there is certainly no greater feeling than one of success or having personally achieved something as a result of digging deep. There is going to be a time or times when we are challenged to dig deeper than we have ever had to before. It may be at work, at home, at school or on the sports field. The question is....are we up for the challenge and do we have the self belief to know that we can be one of those people who last through the tough times.

Ngā mihi nui,

PRIDE CUP WINNERS

The winners for the PRIDE cups last week were:

Kowhai - Levi Lewis
Rimu - Edy Stewart
Manuka - Owen Stubbs
Kahikatea - Erin Drummy
Kauri - Meadow White
Totara - Jayden Upston

No winner last week... who will it be next?

Giga's Quote of the week!

PEOPLE DO.

Results of North Loburn Junior School Oral Presentation 2017

The in-class judging has taken place for our Junior students' oral presentations. The teachers are very impressed by the quality and variety of presentations and the judges were highly entertained! The results are shown below. These students will now be presenting their '**Have I got something to teach you!**' speeches at our Junior Showcase next Tuesday. Family members are invited to attend.

North Loburn Junior School Oral Presentation Showcase

Where: North Loburn School Karetu Hall

When: Tuesday 29th August at 1.45pm

Who: Parents, grandparents and family friends of the students showcasing their speeches.

New Entrants

Year 4-8 North Loburn School *Take the Floor* Presentations

This annual competition will be held in the school hall on **Thursday 31st August starting at 1.05 p.m.** Parents and community members are more than welcome to attend. The Year 4's speak first followed by Year 5's, etc. All prize winners will be announced at the end of the afternoon.

We would rather preschoolers did not attend as this is a long time to sit and it can make it difficult for the speakers/judges if people are moving and/or talking. Year 4 and 5 speeches are two minutes long and Year 6, 7 and 8 are three minutes. No specific times are given for each year level so if you do decide to come later in the afternoon please do not enter the hall during a speech.

Finalists for each year level are as follows and will speak in the order given below.

Year 4

1. Jorja Simpson
2. Emma Malone
3. Sarah Walsh
4. Sophia Burgess
5. Cate Ambury

Year 5

1. Daisy Jones
2. Lily Cook
3. Lily Yardley
4. Eliza Caughley

Ashley Fun Run

Only 1 week to go until the event is upon us.

Thank you to everyone who has volunteered to help at the Fun Run, we now have enough volunteers to run the event smoothly. The assistance of the volunteers is hugely appreciated and the feedback we get from the public is that this is a very well run event and it is thanks to all of the volunteers.

For those of you that have yet to enter, please note online entries close on the 31st of August. You can still enter on the day but there is a \$10 late entry fee.

If you can spare a bar of chocolate, or something from the present box (re-gifts are fine as long as they are from this century) do please get your child to drop it into the Spot Prizes box in the office. The kids love getting a spot prize and it is a great reward for their efforts.

Thanks and see you all on Sunday.

Totara Production Item - Props Wanted

2 Hobby Horses

Totara would like to borrow 2 **Hobby Horses** for their production piece. Ideally one black horse and one white horse, but we are flexible.

If you can help us out could you please send the 'horse' to school.

Thank you,

The Knights from Totara!

Post Hole Digger

Mrs Pettigrew is looking for a handheld **Post Hole digger** to borrow for school, or for someone who owns one to help us by digging 5 post holes at school. This is for the Totara students who have been working on some very cool new projects at tech over the last 6 weeks. If you can help please contact Mrs Pettigrew at school.

North Canterbury Schools Kapa Haka Festival

Those children who were involved in the Christchurch festival will also be involved in the North Canterbury Festival. This will take place on the morning of Thursday 28th September from 10.30-12.00 at Ohoka School. As we were a long way short of transport for our Ashley trip we are assuming the same may apply for this trip. For this reason, we are going to use a bus to take the children to and from this event. We will be asking for an \$9.00 donation to cover the cost of the bus.

You are more than welcome to attend this event. If you require further information please don't hesitate to ask.

ENVIRO-SPOT By Ranger Leary

BEANS FOR BEEF

Did you know that a lot of our pollution comes from cows. Cows waste produces methane gas which is destroying the ozone layer. The animals get put onto big trucks to be taken and killed. These trucks create exhaust that destroys the ozone layer. When the animals are killed and chopped up they are taken on big trucks (again) to the supermarket.

On the other hand when Beans are growing they are releasing oxygen for us to breath. They are then taken on a truck to the supermarket. Overall the Beans are better for the environment. But we are not asking you to always have beans instead of Beef but just try do it for one meal a week and if everyone does that it can make a huge impact.

*Does anyone else have any enviro news? If you would like it included, please contact Ranger Leary, a Year 8 Totara student and enviro-leader.

Hot Lunches

Now that the hot lunch season has come to a close it is a great time to acknowledge the work that has been done in organising these for our children. I would like to acknowledge the organisational skills of Tanya Huffadine who has been co-ordinating the lunches and ensuring they are ready for the children every Friday. This is never an easy task but is certainly one that is essential. Thank you Tanya for taking on this role.

To the many volunteers who helped each Friday with distributing the lunches and making the hot milos - thank you for giving up your time. Again this has certainly been appreciated.

Finally - thank you to the children for the way you have managed each Friday. The different lunches have presented different challenges for each of you. Well done.

Daffodil Day

On behalf of Georgia Stephens and Lucy Ilett from Totara I would like to thank you all for getting in behind this wonderful fundraiser. There were certainly some great costumes. It was neat to see the effort that had gone into the outfits. Overall we were able to raise \$267.70 for the Cancer Society. What a great effort by everyone.

Litter Free Lunches

Over the last week I have noticed a small increase in the amount of litter being left around in the playground after morning tea or lunch. I would like to remind all of our community that we are a litter free lunch school and respectfully ask that any food that comes in a wrapper (muesli bars, chips, etc) is removed from its wrapper and stored in a container for bringing to school.

Our litter free status is important to us as a Green/Gold Enviro School. We appreciate your support in helping us remain litter free.

School Values

In the Week 6 newsletter from Term 2, I highlighted a review of our school values and the fact that we have made the decision to reduce these down to 5. I thought it would be a good opportunity to highlight these again. Our 5 values that we are now using are: **Perseverance, Respect, Integrity, Diversity and Excellence.**

Jenny McClintock has secured a grant for us to have 5 flags printed with the new values on them. These will be set up on our front fence each morning. The staff have already started discussing ways of making our values more visible so that our children / community see them, use them, talk about them and make them a natural part of what we do here at North Loburn.

Watch this space for more info on plans we have for the reviewed values later in the year.
