### Reflecting on this year's theme

As the year draws to a close I thought it was only right that we take a moment to think about the theme that has been the foundation of our learning -**The Power is with you.**

When thinking about the various activities and events that have been held throughout 2017, it is clear to see that this year's theme has certainly been a great fit. Throughout the year we have been encouraging the children to think about themselves - to think about the power they have and to reflect on how they can use it.

'The Power is with you' was certainly a great fit for our Kapa Haka project with the Cultural festival, as well as our school production. These two events provided opportunities for our students to step up and rise to the challenge, which they did very well. From our 5 year olds to our 13 years olds, they all showed they had the 'Power' to be great on stage.

The most recent activity, that I believe is a great fit for this theme, was the Green / Gold review. This successful review reaffirmed the great work that everyone in our school and community has been doing. It reaffirmed that as a school we have the power to make a difference to our environment and that we are certainly on the right track.

'The Power is with you' has been a great motivation for our students and staff in 2017. I am not sure what the theme for 2018 will be, but I am sure it will enable us to deliver more thought provoking learning for our students.

Ngā mihi nui, *Darryn Ward*

## Last Week's Sports Results for our Teams

### Monday Night Football

Geckos 14-0 win over St Josephs  
Spurs - 7-2 win over Ashley, then 2-2 with Leithfield

### Wednesday Night Touch

The Mustangs had a 9 - 2 win against the Funky Monkeys.  
The Hammers (9) beat Rangiora Rockets (4)

### Miniball

Our Miniball team won 10-2 over Woodend.

### Friday Night Hockey

4-0 win over Cust. Another great result.

### Friday Basketball

G Force lost 35 - 24 against Borough  
All Stars lost 46 - 6 against Kaiapoi North  
Lightning Bolts - 36 - 17 win over Broomfield

I would like to thank all of those parents and teachers who regularly pop along to watch our children playing their sports. This again is a wonderful example of the community spirit.

Keep up the great work teams - you are all making us so proud of you.

## **Year 4-8 Summit Day Out 2017**

Congratulations to all Year 4 to 8 pupils. Every single pupil achieved their Summit Challenge badge this year. This is another example of our incredible community. Without the drive from the pupils and the huge support from home, these challenges would not be completed. Massive thank you, everyone.

A Summit Challenge celebration day is now planned for Wednesday 13th December. By now you should have received a google form outlining the details. **Please respond to this form by this Wednesday 6th December.** If you have any queries please contact Anne Hughes.

## **Movie Night**

I would like to extend a very big thank you to the Home & School group for arranging the movie night. We had a good number of students and parents come along and enjoy the evening. Last year we ran this event and included a gold coin donation (to cover costs of the food that was purchased for the children). This year we had planned to do the same however this information was not included in the newsletter which is entirely my fault. I had mentioned it to the children in assembly. A small number of parents and children did bring a donation on the night which we are very grateful for. If your child attended the event and you are still happy to provide a gold coin donation for the Home & School group, this could be dropped to the office. Once again - my sincere apologies for any confusion as a result of this.

## Helpers Morning Tea

We would like to invite all those parents who have helped us out throughout the year as parent helpers. You may have helped in the classroom, for Garden to Table, on a trip, camp, or in other ways.

We would like to acknowledge the support you have provided our school by asking you to join with the staff for a morning tea to be held on Monday 11th December from 10:30am in the hall. We look forward to seeing you there.

To assist us with catering please RSVP via phone or email to the school office to confirm your attendance.

### Principal for the Day

Just a reminder that this event is taking place on Monday 11th December. Campbell Richardson will be leading our school for a day. Campbell already has a number of activities arranged for this event which is very exciting. More details to follow.

### Straw Free Rangiora

If you have not seen the movie that was made by some of our Enviroleaders please check out link below. This movie has made it to the finals. The voting finishes tonight. Ranger and Campbell are heading to Auckland this week to attend the prizegiving thanks to the kind folks at FOD Cafe who have come on board to sponsor these boys. Come on everybody - let's get voting and bring home the win. <https://www.stuff.co.nz/entertainment/film/99130555/outlook-for-someday-finalist-plastic-straw-free-rangiora>

The voting form is at the bottom of that page.

We would also like to thank FOD Cafe who are sponsoring us to get to Auckland.

### Prize Giving (Evening Event and Mini)

Please make sure the following dates are in your diary:

- On **Tuesday 12th December at 1.30pm** we have our final school time assembly. You are also welcome to attend this; it will be a low-key affair again this year. The following awards will be given out:
  - Summit Challenge badges
  - Kapa Haka badges (this was when we only had about 10 kids, so now not done obviously).
  - REACH Certificates
  - Bus Monitor certificates
  - Agricultural badges and certificates
- On **Thursday 14th December** we have our prize giving and Year 8 final assembly at the Karetu Hall. This starts at 6pm sharp. We aim to have it finished by 7.30pm.

These are presented in this school assembly, rather than on Thursday night, to reduce the length of the evening assembly (otherwise it could be a long night for our little ones!)

- A reminder that school finishes on Friday at 12.30pm, with bell ringing at 12pm. The bus will be running at this earlier time.

For the evening prizegiving on the 14th the children **will be expected to wear school uniform**. This is the same as 2016. At the end of the event we invite all families to join with us on the field for a picnic. Bring a rug, some drink and your own food, find a place in the sun and join with the rest of the school as we wrap up the school year. We look forward to seeing you there.

### Gymnastics Competition

Phoebe, Molly and Taylor were in their gymnastics competition at Rangiora Gymnastics today. They had a fabulous morning and all had a lot of fun. Well done to these three young gymnasts.

### Desperately seeking a Container

We are looking for an empty water tight container (20ft) to use at school over the holidays to store classroom resources and furniture while the building project is going on. If you can help please contact Darryn at school to discuss further.

### Stationery Lists

The stationery lists will be coming home within the next couple of weeks. As we are an **Enviroschool** we would like to encourage all of our families to not purchase any stationery until this year's books that the children have been using have come home. We would like to encourage all of our families and children to reuse books (where possible) for the coming year. We all thank you for your support with this.

### Pita Pit Lunches

Last week we had a good number of lunches on Thursday. Thank you to those who are using this service. Just a reminder that Pita Pit lunches can be ordered online for the Thursday. As long as we maintain an order of over 20 lunches they will continue to deliver them to school.

Ordering is all done online. If you need more information on how to order please check out the information that can be found on our website in the Week 3 newsletter from this term. The online ordering system is very easy to use. If you have any questions then please do not hesitate to contact the office.

### Santa Photos

Tanya Connelly and her husband Richard have organised this wonderful opportunity below to have Santa photos taken. Please come along and support this very worthy event.

If all goes according to plan we will hopefully be able to start using it in the last week of the term. Keys for the pool will go on sale from the start of the last week. They are \$60 for the season which gives access to the pool and the toilet. These keys are provided for one season at a time and must be returned when requested.

Further information on the actual opening of the pool will be shared in the next newsletter.
